Located on heavily traveled Route 38, which is a major artery for people traveling from Philadelphia and its suburbs to shop in New Jersey. The sign will be impossible to miss, rising from a pond and featuring a clocktower, living wall, and township identification. The installation sits just 2 miles from the Cherry Hill Mall, and less than three miles from Garden State Park, a large, open-air retail and upscale mixed-use environment. The left hand read is the first OOH sign seen after passing the Cherry Hill Mall and heading towards Philadelphia.
